Special Programs Sign-Up

Program Description: The goal of the Caldwell/Hays County Feral Hog Action Plan is to *significantly reduce the feral hog population and feral hog economic, agricultural and environmental damage in Caldwell and Hays County*. If you are interested in any of the following services for your **land(s) in Caldwell and/or Hays County**, a member of the Caldwell County Feral Hog Task Force will contact you and every effort will be made to equip you with the tools and/or services to make our goal a reality.

Future efforts to ensure a manageable feral hog population in these counties will be driven in large part by participant donations. The donation guide is only a suggestion. **Donations are not required but would be very much appreciated to ensure the long-term success of this effort.**
