Re: Request for Grant Application (RFGA) for FY 2015 Clean Water Act (CWA) Section 319(h) Grant

Dear Judge Bonn,

This letter is sent as formal notification that your project proposal, "**Plum Creek Watershed Protection Plan Implementation of Low Impact Development for the Caldwell County Judicial Center**" has been selected for submittal to the Environmental Protection Agency (EPA) for consideration for funding under the FY2015 CWA Section 319(h) grant. All proposals are subject to final approval by the EPA.

As the next step, the TCEQ Nonpoint Source program will be coordinating with you to prepare a grant application and work plan for submission to the EPA for funding. In order to compile the work plan we will need a revised application which addresses the comments provided in the attached document. Your designated TCEQ Project Manager, Bill Carter, will be contacting you to discuss each of these comments. Should you have questions at any time, please don't hesitate to contact him at (512) 239-6671 or bill.carter@tceq.texas.gov.

To help ensure ample time is available for work plan and eventual contract development, we request that you submit a revised application with responses to comments on or before **December 1, 2014**.

We look forward to a productive working relationship in the months ahead. Congratulations, and thank you again for your work in managing nonpoint source pollution.

Sincerely,

A handwritten signature in black ink, appearing to read "Kyle Girten".
