To our valued Lockhart community of businesses:

We hope that you will join us in welcoming a new season with a little “autumn cleaning” on Saturday, October 17, 2015 for the *8th Annual, Keep Lockhart Beautiful Cleanup*.

Volunteers will assemble at City Park under the Main Pavilion at 9:00 a.m. where they will be assigned to their target areas and supplied with gloves and collection bags. Lunch and tee shirts will be also provided for our volunteers. In connection with the cleanup, the community may also enjoy an Environmental Fair.

A special note to all of our sponsors and volunteers,

Thanks in large part to the efforts of our sponsors and volunteers for the 7th Annual KLB Cleanup held last fall, the City of Lockhart was awarded the 2015 Governor's Community Achievement Award at the Keep Texas Beautiful Annual Conference held in June 15-17, 2015. The GCAA recognize the 10 best grassroots programs in the Lone Star State! Thanks to the award, the City is currently in discussion with TxDOT to construct a \$160,000 landscape beautification project for our community. Check out this link for the article and video that was produced for Lockhart's award ceremony... you might even catch a glimpse of yourself or someone you know. Thank you all so much for your support!
