

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

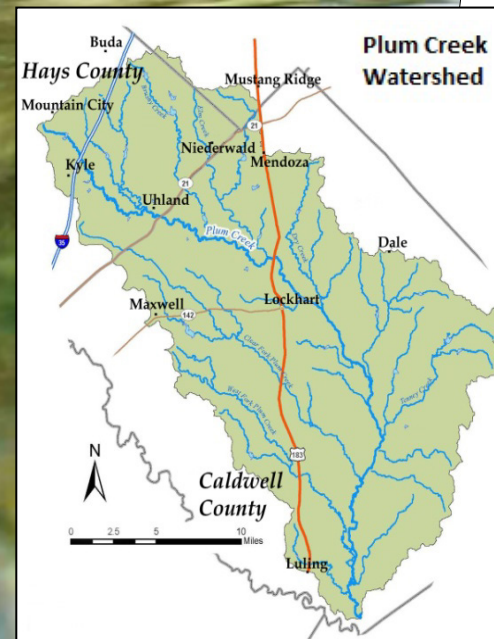

**December 8, 2015:
1:00pm- 5:00 pm**

First Lockhart Baptist Church Connection Center
200 South Blanco Street, Lockhart, TX 78644

FREE LUNCH starts at 12:30 for attendees
that register by December 4th

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Plum Creek Watershed and efforts by the Texas State Soil and Water Conservation Board, Plum Creek Watershed Partnership, and area residents to improve and protect it. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, to register, or request alternative lunch options based on dietary restrictions, visit our website or call the number below.

Pre-register for the workshop by going to:
